Our Participation

The Eurochamber of Commerce of the Dominican Republic, in its continuous effort to promote trade between the European Union and the Dominican Republic, has become part of the initiative taken by the Chamber of Commerce and Production of Santo Domingo (CCPSD) to be held on October 14th - 17th 2015: HUB SANTO DOMINGO, the first trade expo of its kind nationwide.

Hub Camara Santo Domingo

Hub Camara Santo Domingo is the first corporate trade expotaken place in the Dominican Republic unifying all the economic sectors. This expo provides corporate offers never been seen by the companies before.

At HUB we will have a panel of internationally well-known speakers, B2Bs, trade missions visiting from different countries, among other interesting features.

Climate Change Forum

On October 15th, 2015, the Eurochamber, with the collaboration of the European Union's Delegation in the Dominican Republic and the Caribbean Export Development Agency will celebrate its Climate Change Forum within the framework of the event HUB Camara Santo Domingo which will take place at the Terminal Sans Souci.

The Climate Change Forum seeks to strengthen the sustainability, the defense and preservation of ecosystems in the Dominican Republic through initiatives to responsible management of non-renewable resources.
